

Rocplas

Decorative Grille Systems for Doors and Windows

Welcome to **Roc Deco**

Inspiring a new generation in Decorative Glass

The **Roc Deco** collection is the latest range of decorative grille designs. These exciting inserts are in addition to the stunning designs such as the Florence, Roma and Murano range, thus establishing Rocplas as the leader in the decorative glass field. Rocplas are also the pioneers of the popular Fusion decorative grille system which incorporates a fused coloured tile inside a grille to give a visually stunning effect.

Roc Deco decorative grilles are manufactured using 100% precision engineering. The aluminium bar is anodised prior to going through a process of roll-forming to create the required tubular shape. The injection moulded ABS plastic components are created using an electro plating galvanic process to ensure UV stability. The **Roc Deco** decorative grilles are totally encapsulated inside a sealed unit, giving you a lifetime of protection from the elements.
