The Door Lights Collection

# Introduction to Roc Bevel

The Rocplas Group are proud to present the prestigious Doorlights Collection, containing the most elegant and innovative glass options, all produced to the industry's highest standards.

The Roc Bevel range of bevelled glass clusters gives you the most comprehensive range of door panel and fanlight designs available on today's market.

You can choose from our range of standard designs or select and create your very own designs, to suit your individual taste. We only work to the highest standard of manufacture, so you are assured of a quality product.

The vast range of coloured film consists of plain transparent colours, multi textured and embossed film, allows you to create a more authentic and traditional look. Our highly acclaimed range of Roc Bond UV and Bright Light curing adhesives are used for the boding of bevelled glass clusters, all our adhesives are manufactured to ISO9002 for quality assurance.

The latest innovations in the decorative grille are also included in this catalogue, our latest designs will enhance the look of your property. The encapsulation of the decorative grille in between the sealed unit provides you with a maintenance free product with immense beauty.

Let Roc Bevel help you design and create features on windows and doors which will enhance the mood and capture the atmosphere of your home.

La gamme Roc bevelled verre biseautee vous offert la choix las plas complete des motifs des panneaux de porte et des impostes disponible dans le marche aujord'hui.

Choisissez de notre selection des motifs standard ou creez vos propes motifs selon vos gouts individuals. Tous les processus de fabrication vous garantissent un produit de la plus haute qualite.

Pour un style plus authentique choisissez d'un grand choix des films colores: transparents et unis ou multi textures et embosses – c'est a vous de decider.

Fabriquees au standard ISO9002, nos gammes de durissements Roc Bond UV et d'adhesifs Bright Light sont utilisees pour le collage de biseau pour assurer la qualite superiere.
